

107TH CONGRESS
1ST SESSION

S. 475

To provide for rural education assistance, and for other purposes.

IN THE SENATE OF THE UNITED STATES

MARCH 7, 2001

Mr. CRAPO introduced the following bill; which was read twice and referred
to the Committee on Health, Education, Labor, and Pensions

A BILL

To provide for rural education assistance, and for other
purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. RURAL EDUCATION.**

4 Part J of title X of the Elementary and Secondary
5 Education Act of 1965 (20 U.S.C. 8271 et seq.) is amend-
6 ed to read as follows:

7 **“PART J—RURAL EDUCATION INITIATIVE**

8 **“SEC. 10951. SHORT TITLE.**

9 “‘This part may be cited as the ‘Rural Education Ini-
10 tiative Act of 2001’.

1 **“SEC. 10952. FINDINGS.**

2 “Congress finds the following:

3 “(1) The National Center for Educational Sta-
4 tistics reports that 46 percent of our Nation’s public
5 schools serve rural areas.

6 “(2) While there are rural education initiatives
7 identified at the State and local level, no Federal
8 education policy focuses on the specific and unique
9 needs of rural school districts and schools.

10 “(3) Small school districts often cannot use
11 Federal grant funds distributed by formula because
12 the formula allocation does not provide enough rev-
13 enue to carry out the program the grant is intended
14 to fund.

15 “(4) Rural schools often cannot compete for
16 Federal funding distributed by competitive grants
17 because the schools lack the personnel needed to
18 prepare grant applications and the resources to hire
19 specialists in the writing of Federal grant proposals.

20 “(5) A critical problem for rural school districts
21 involves the hiring and retention of qualified admin-
22 istrators and certified teachers (especially in read-
23 ing, science, and mathematics). As a result, teachers
24 in rural schools are almost twice as likely to provide
25 instruction in three or more subject areas than
26 teachers in urban schools. Rural schools also face

1 other tough challenges, such as shrinking local tax
 2 bases, high transportation costs, aging buildings,
 3 limited course offerings, and limited resources.

4 **“Subpart 1—Small and Rural School Program**

5 **“SEC. 10961. FORMULA GRANT PROGRAM AUTHORIZED.**

6 “(a) ALTERNATIVE USES.—

7 “(1) IN GENERAL.—Notwithstanding any other
 8 provision of law, an eligible local educational agency
 9 may use the applicable funding, that the agency is
 10 eligible to receive from the State educational agency
 11 for a fiscal year, to support local or statewide edu-
 12 cation reform efforts intended to improve the aca-
 13 demic achievement of elementary school and sec-
 14 ondary school students and the quality of instruction
 15 provided for the students.

16 “(2) NOTIFICATION.—An eligible local edu-
 17 cational agency shall notify the State educational
 18 agency of the local educational agency’s intention to

 21 cational agency, that the local educational agency is
 22 located in an area defined as rural by a govern-
 23 mental agency of the State.

24 “(c) APPLICABLE FUNDING.—In this section, the
 25 term ‘applicable funding’ means funds provided under

1 each of titles II, IV, and VI, parts A and C of title VII,

3 “(d) DISBURSAL.—Each State educational agency
4 that receives applicable funding for a fiscal year shall dis-
5 burse the applicable funding to local educational agencies
6 for alternative uses under this section for the fiscal year
7 at the same time that the State educational agency dis-
8 burses the applicable funding to local educational agencies
9 that do not intend to use the applicable funding for such
10 alternative uses for the fiscal year.

11 “(e) SUPPLEMENT NOT SUPPLANT.—Funds used
12 under this section shall be used to supplement and not
